ASC Purpose

The Academic Success Center provides an opportunity for students to receive assistance in their academic endeavors. Our goal is to assist students in becoming more efficient and effective learners. Opportunities are provided for students to participate in individual or group academic support sessions, such as tutorials and workshops, all in an environment to promote success!

It is the goal of the staff to provide “Academics in a Student Friendly Environment”.

Tutoring is provided in the Following Subject Areas:

- Business
- Math
- Psychology
- Science
- Foreign Language
  - French & Spanish
- Art
- Social & Political Science
- Other subject areas provided upon request

Computer Labs
Two computer labs are housed in the facility

Student Work Areas
Work areas are available for students who need to prepare presentations for special projects

Quiet Study Areas
Designated rooms are available for quiet study

Academic support services are offered to students in individual or group sessions

What Students have to say...

"The ASC tutors are selfless and dedicated. Anytime we collaborate, I feel much more confident about my work."
- Kirby Church

"The ASC helped me by taking me under its wing my freshman year and getting to know me on an academic and personal level. That helped me because it made it a comfortable environment for learning."
- Erica Kellem
