

RE: Appealing a PLUS Approval due to Special Circumstances & Issues of Affordability

Updated 3/11/2011

*Dear Parents,*

*You have the right to appeal your PLUS approval due to a documented inability to afford the monthly payments. Please provide to the Office of Financial Aid a list showing your monthly expenses and your monthly income. If the Office cannot see where your income will support another monthly bill, we will deny your PLUS application in-house at Cheyney. A PLUS denial will lead to an additional award in unsubsidized direct loan. Please be sure to put in your letter that you are appeal a PLUS approval.*

*Sincerely, Chris Hanlon*
