New addition to the G&C team...

We have brought a new face to Guidance & Counseling! Brett George, a graduate intern from West Chester University is now located in Ms. Lewis's back office (Rm. 251 B). Brett will be with us throughout the Summer and is currently on campus Mondays, Tuesdays, and Wednesdays. Brett is an asset that each and every student should take full advantage of regardless of the topic or need. Brett is here to help any way and is always seeking to assist the students. Feel free to stop by and speak with him throughout the day for any assistance. Brett can be reached at x2529.

University College

University College is comprised of many partnerships but the core team includes Dr. Robin Williams as the Executive Director and Ms. Roslyn Henderson as the Management Technician. The Department will also include Advisory and Engagement Coordinator positions. They have partnered up with other Departments on campus as well. These Departments include Guidance & Counseling, the ACT 101 Program, the Writing Center, Student Activities (intramurals), Residence Life, Office of General Education, and the Academic Success Center. All of these areas are vital in the success of each student and the University as a whole. The focus of University College is to reach the first time freshman and first-time transfer student to engage and connect them to the resources and activities on campus. Through University College, each student will receive tools and resources to succeed not just inside the classroom but outside as well. It is imperative for each first time student to get acclimated to the University as quickly as possible and make the connections to the resources that can assist them in their pursuit for graduation and succeeding into the future.

Location: Vaux Logan First Floor (Room #105)
