

# BOND HILL SCHOLARSHIP APPLICATION FOR TUTORIAL SUPPORT AND RESOURCES

## **ABOUT BOND HILL:**

The Bond Hill Scholarship Program is designed to attract highly qualified students to professional programs in law, medicine, podiatry, dentistry, as well as Masters' Degrees in Business Administration, Public Administration, Health Administration, and a Doctorate of Education (Ed. D). Pennsylvania residents graduating from Cheyney with a 3.00 cumulative grade point average are eligible within five years of their graduation to receive a full tuition scholarship when admitted to the designated professional and graduate programs at Penn State University, University of Pittsburgh or Temple University. The award can be renewed for a maximum of four academic years based on satisfactory academic achievement and progress toward one's professional degree or approved graduate degree program.

## **THIS APPLICATION:**

The Scholarship Program includes additional programs beyond tuition, such as support for students to take preparatory examinations to increase their likelihood of being admitted to one of the Bond Hill Programs. This application may be used to apply for tutorial support and study resources, such as a preparatory course for graduate school entrance exams (LSAT, MCAT, etc), study guides, and exam scores. This is not an application for tuition!

## **APPLICATION INSTRUCTIONS:**

To apply for support, please complete (1) the attached application form, and (2) include a cover letter which outlines your graduate school goals and career aspirations. Please note requests that meet the Bond Hill specifications are given strongest consideration.

Once your application is complete, please submit it to the Keystone Scholarship Office. You will be notified in writing within two weeks of receipt of your application, of whether or not your application has been approved.

The scholarship is a competitive, academic scholarship therefore only a limited number of requests may be supported a year. Consideration is given to students who are considered Bond Hill eligible, including students of high academic achievement, and strong candidates for graduate study.
