D. Policy & Procedure(s)
All of the provisions of the provisions of the Board of Governor's policy 1983-19A: Refund of Tuition and Fees are adopted herein. The following additional provisions are applicable to Cheyney University students:

1. Certain University travel courses pay expenses on behalf of students prior to the beginning of these courses. If the University cannot recover amounts paid on behalf of the student who withdraws from the course, such amount will be deducted from the amount paid prior to applying the above refund schedule.

2. Students who sign a promissory note to defer the payment of their tuition/fee balances are responsible for all unpaid charges after the above refund schedule has been applied.

3. Amounts expended from initial meal plan flex accounts will be deducted from the amount paid prior to applying the above refund schedule. Students who withdraw from the University are entitled to a refund of a portion of unused flex funds through the fifth week of classes. Any unused flex funds at the end of the fall semester will be carried forward to the spring semester provided that the student is enrolled at the University. Students who graduate in December or who do not return for the spring semester are not eligible for a refund of unused flex funds. All unused flex dollars are non-refundable at the end of the Spring semester.

4. Applicable service and/or processing fees (application, credit card processing, late payment, etc.) are non-refundable.
