Other Teaching Locations

1. When the STATE SYSTEM/UNIVERSITIES consider offering a course(s) and/or program(s) at other teaching locations, it shall notify the affected department(s). The STATE SYSTEM/UNIVERSITIES may staff the course(s) or program(s) with volunteers and/or with FACULTY hired with the expectation of teaching at other locations stated in their letter of appointment. Alternatively, the STATE SYSTEM/UNIVERSITIES may seek written agreement from the affected department(s) to provide
FACULTY MEMBERS to staff the course(s) or program(s). The department(s) may develop a rotation system to staff the course(s), which shall be approved by the department(s).

2. If a department(s) that has made such a written commitment to staff courses is unable to provide a FACULTY MEMBER to another teaching location, the University shall attempt to appoint a temporary FACULTY MEMBER to teach the course. In the event a temporary FACULTY MEMBER cannot be appointed, the University may assign another FACULTY MEMBER to teach the course.

3. Effective fall semester 1997, existing programs and courses shall be subject to the provisions of Sections B.1. and B.2. above.

4. In addition to their regular compensation under this Agreement, FACULTY MEMBERS teaching at other teaching locations may elect one of the following incentives, except that no incentive shall be paid for teaching locations within fifteen (15) miles of the FACULTY MEMBER’S home or the University, whichever is closer:

b. FACULTY MEMBERS accepting teaching assignments at other teaching locations may also be granted campus-based scheduling preferences.

The FACULTY MEMBER should include documentation verifying the activity for which the funds have been requested.
