Special Tuesday Workshop

Safe Sex Workshop

Students will be reminded of the importance of safe sex and the methods of protection. This workshop was created to answer any questions students may have about safe sex and inform them of protective options at their disposal. In addition the organization BEBASHI will speak to the students about AIDS and HIV Prevention.

FREE HIV/AIDS testing will be available from 1:30-4pm

**Presented By Dr. Asbury &
Members of BEBASHI**
